

YOU ARE INVITED

"For more success, the only difference between you, now and the next ten years will be the things you will know and the people you will meet...We will provide both" - HBC

The Hexavian Business Club is a community and network of top level executives and alumni of the Hexavian Masterclass. It is for those enthusiastic about business, life and career growth.

THE CONCEPT

The quest for a platform where business, values, life issues are discussed with a touch of class yet fun, amongst corporate and business people in Nigeria is a need. Also, a place where people can hang out at least once a month after work while they avoid the usual urban city traffic is also a need. Hence platforms like The Hexavian Business Club is direly needed. A platform to just share business opportunities and challenges over cocktails, life issues over drinks, invaluable life and business experiences under one exciting platform is here.
